## **eDEN Release 1.0.4**

### **1. Discretionary Condition section shows if it has been met.**

In the main case section there is a tab for Discretionary Conditions. In this section there is now a box which indicates if the discretionary condition has been met or not.

### **2. Disclaimer at the bottom of the review application has a tick box**

There is a disclaimer at the bottom of the review application, stating: "I am aware the contents of this review will be seen by all interest parties in the DPP. Any confidential or private material should be sent under separate cover as representations that can only be accessed by OPC review team."

There is now a tick box beside this disclaimer and a review application cannot be created if this is not completed.

### **3. Conversation details has case link**

When viewing a conversation from the conversation tasklist the case number is displayed. The conversation has now been updated so that the user can click on the entry from the task list and they are taken to the case related to the conversation.
