RECEIVED

Dear Sir

I refer to your letter of 10 March and subsequent correspondence about the proposed retention, as a permanent feature, of the temporary loading jetty which formed part of the temporary works at Hunterston Ore Terminal to which our approval (No 54218) was given on 12 September 1975.

The Secretary of State has no objections so far as the interests of navigation are concerned to the permanent retention of this jetty, shown on the plan and section (Foreshores Plan No 54857) enclosed with your letter of 2 May 1978.

We are retaining one copy of the plan and section in this Department for record purposes, the other is returned herewith.

Yours faithfully
